

GENERAL MEETING SECOND CENTURY COMMITTEE

JUNE 19<sup>TH</sup>, 2008

Held in conjunction with the Culver Kiwanis' regular meeting at the Public Library

Cunningham presented the list of the number one priorities within each category that were chosen by community participants last fall. It was announced that the SCC itself would take "Community" as their group project category since members had already begun, or even completed, some of the ideas generated within that category.

Group or individuals are encouraged to contact members of the steering committee if they are interested in leading efforts for a specific project.

One or two members asked to see the full list of priorities and that was agreed to. It was explained that by taking one priority from each category and working on those, tasks would be more manageable and have a better chance at being successful due to the concentrated effort.

Categories with Group leader notes: Aesthetics, Housing, Economic Development (CRC), Recreational, Government Infrastructure (Town Council with subgroup assisting as needed), Government Planning (Town Council with community subgroup assisting as needed), and Community (SCC).

A call for Steering Committee members was made. Names should be submitted for vote at the August 13<sup>th</sup> meeting to be held at the Culver Lions Club's meeting, Vandalia Station in the town park, 6:30 p.m.

Respectfully submitted,

Kathy Clark, Secretary  
Second Century Committee
