

TOWN OF CULVER

Town Council Policy & Procedure

Effective: XXXXXX 00, 2015

Authority: Town Council

SPECIAL EVENTS PERMIT POLICY

PURPOSE AND INTENT:

To establish policies and procedures for the processing of special events permits so that public health and safety are protected without unnecessary delays for the applicant and with good communication and coordination among affected Town Departments and Agencies.

POLICY:

State Law and Town Ordinances regulate the use of real property in the Town. Generally, these laws/ordinances establish both the structures that may be constructed on land and the activities that may be conducted thereon. The Town receives requests to allow activities, and occasionally structures, on a temporary basis. The Town has an interest in allowing certain types of conditionally allowed uses on a temporary basis. Some of these types of uses may allow private individuals, businesses, or not-for-profit organizations to hold special events which may temporarily alter the character of a particular area.
